THE FUCECCHIO

CYCLING EXCURSIONS LEONARDO DA VINCI BIKE TOUR

FROM VINCI TO THE FUCECCHIO MARSHES – 100% OFF

Presentation:

Our experienced MTB Guides, trained by the Italian MTB Academy <http://www.scuoladimtb.eu/>, can lead you safely through Tuscany's most amazing places; The Monte Pisano, The Fucecchio marshes and within The Tuscan-Emilian Apennines like The Natural Park of Monte Morello, The Calvana Mountain, Riserva dell'Acquerino, Regional Park of Suviana e Brasimone lake, and much more.

Especially, in our area, we offer one or half day guided bike tours around the Hills of Montalbano mountains where Leonardo was born. Our bike tours take you through the Tuscan vineyards and olive tree groves. At the end of our tour we can either offer you the chance to sit down and relax with a typical Italian lunch at a quaint family owned restaurant or some time to visit the Leonardo Museum and take photos in the square of Vitruvian Man.
